These returns should be read in conjunction with the notes below:

The returns stated represent in each case and for each fund, the percentage change in the unit price over the period.

All returns are expressed in New Zealand dollar terms, and as such are the returns to New Zealand investors. Returns shown for periods of one year or more are annualised.

These are not necessarily the returns individual investors will receive as this will depend on the prices at which units are purchased and sold, the dates of these transactions and any additional contributions or withdrawals made during the period.

Returns are after management fees and tax.

No allowance has been made for any entry or exit fees, policy fees and protection benefit fees (if applicable).

Past performance is not indicative of future performance and is not guaranteed by any party.
